CALL FOR ABSTRACTS

13th Congress of the European Hip Society

20–22 September 2018
The Hague, The Netherlands

www.ehs-congress.org
Welcome

Dear members and friends of the European Hip Society,
Dear colleagues and guests,

We very much look forward to seeing you at the European Hip Society 2018 in The Hague, The Netherlands, for our society’s 13th biennial meeting. For information on the latest innovations in hip care and hip surgery, to discuss treatment options, meet the industry and your hip friends, the EHS congress is unmissable. International as well as European hip surgeons depend on our meetings to get up to date information on international standards, to provide their patients with the best in hip care.

In addition, The Hague has a very international esteem. The congress will take place at the World Forum congress centre – very easy to get to, situated close to Schiphol Amsterdam airport for excellent connections, worldwide.

Dr. B. Willem Schreurs, EHS President (2016–2018)

- Trauma of pelvis and or hip

Submit your abstract in English language according to the submission guidelines online until 15 March 2018 at www.ehs-congress.org

Awards

The two best presentations, after due evaluation by the Scientific Committee, will receive an award granted by Hip International of EUR 1,500 and EUR 1,000 respectively. The awarded abstracts will be published as full original articles/reviews in a forthcoming issue of “Hip International”.

Guidelines for submission

Submission, Deadline

- Abstracts have to be submitted exclusively online.
- Deadline for application is 15 March 2018 23:59:59 CET.
- Posters are equally submitted as abstracts related to the respective topics and will be displayed posters at the congress.
- Alterations and corrections may be executed previous to the deadline.

Size, Content

- The abstract is limited to 1,750 characters (ca. 270 words) incl. blanks; neither table charts nor graphic designs are permitted.
- The title should be short and significant. The text has to be orthographically suitable for publishing.
- The following structure of the abstract is mandatory: objectives, methods, results and conclusions.
- Concerning the methods it has to be clear if the study is prospective or retrospective. Statistical procedures have to be specified.
- The methodology of data entry and evaluation of clinical papers must comprehensively describe the level of evidence (EbM-Levels).
- The setup of experimental studies has to be documented.
- The abstract has to contain all relevant data.
- The usage of special formatting should be limited. The correct replication in all media cannot be granted.
- It is not allowed to submit an abstract several times to different subjects of the congress.
- The number of papers submitted by the same author is limited to 10.
- The number of authors is limited to 8 altogether. The presenter must be listed first.
The EHS Congress will be submitted for accreditation to the UEMS (European Union of Medical Specialists) for European CME credits at the European Accreditation Council for Continuing Medical Education (EACCME).
